DB's Dabblings: You have probably heard or seen the announcement that we are trying to re-launch **THE LANDING Monday night, Oct. 7**. You may wonder what it is. Although the short explanation is, "Celebrate Recovery for Teens," that doesn't really help you understand if you don't understand CR. Most people who have heard of CR, but have never been involved, would probably say "CR is Christian AA (Alcoholics Anonymous)." That is not completely correct. Although CR can be a very helpful program for alcoholics, it is a far more inclusive and comprehensive ministry. As members of the human-race, we all deal with life's hurts, hang-ups and habits at some level and in some form. And one way or another, directly or indirectly, sin is involved. Jesus said, "It is not the healthy who need a doctor, but the sick. I have not come to call the righteous, but sinners" (Mark 2:17). The Graham Street Church of Christ takes this mission of Jesus very seriously and we know we are all sinners, and we need to help the broken and hurting find the healing of Jesus. Celebrate Recovery (for adults) and The Landing (for teens) is a ministry which is a non-denominational biblically balanced approach to repentance and recovery, to gaining understanding and granting forgiveness through Jesus.

DB's Dabblings Continued: This ministry goes way beyond a 12 Step program for addiction. This is a ministry that applies 8 Principles of Jesus' teaching from the Be-attitudes to help us make decisions and give support that will bring hope and healing into broken lives. Yes, there are teens who struggle with addictions who could benefit from this ministry. And there are teens who could benefit because their parents struggle with addictions. But there are also teens who feel hurt, broken and ashamed who are struggling who could benefit. There are teens who feel angry, sad, lonely, discouraged, confused, and lost who could benefit. Every adult could benefit from CR, and every teen could benefit from The Landing, which meets Monday nights from 6:30 to 7:30 in the Youth Classroom led by Joel Kitchens; food is provided.
