**DB's Dabblings: What are we doing in our Bible Classes and Small Groups this semester?** I am glad you asked and thank you for your interest in studying God's Word.

**We will be studying Acts together Sunday mornings** in one adult Bible class taught by Hughbert Collier meeting in the auditorium. To help us in our Bible class study, I will be preaching from the Gospel of Luke on frequently occurring topics in both Luke and the book of Acts (Dr. Luke's second book).

**On Wednesday nights we will compliment our Acts study** with a study of Francis Chan's book, **Letters to the Church**. In this study, we will have two classes, a class for ladies of all ages in Room 109 taught by Sherri Caraway, and a general class meeting in the Family Center taught by Andy Brewer and Bruce Caraway. We will cover a chapter from the book each month using discussion questions. We encourage everyone attending the classes to read the book, but a summary of each chapter will be provided each month by email, website & copies are available at the Welcome table.

**In our small groups**, we are encouraging every group to spend a least one meeting each month applying principles learned from our Sunday

**DB's Dabblings continued:** morning Acts Bible class and the Wednesday night book study. **The Adult Education Committee is also encouraging all members to read through the Bible in chronological order by the end of 2020.** We will post a weekly scripture reading schedule in the bulletin to read through the Chronological Bible in one year September 1, 2019 through September 1, 2020, which gives you 4 months to make up missed reading to achieve the goal by the end of the year.

Start reading the Bible today -- there is no better time, and there's no reason to wait.

This is a Chronological Bible Reading:

9/2-Gen. 1-3	9/3-Gen. 4-7
9/4-Gen 8-11	9/5-Job1-5
9/6-Job 6-9;	9/7-Job 10-13
9/8-Job 14-16.

The **Grief Support Group** has a challenge for the other small groups. We wanted to contribute to the building fund, so we de-junked our homes and had a garage sale and raised approximately \$925 Our challenge is for other groups to do the same dedicating the proceeds to the building fund. Think of the possibilities if all groups take the challenge. (Deborah Swanson)

Join us for the Wednesday night meal!
